Welcome to Cutter Scout Reservation

Welcome to Webelos Camp for 2013! We are looking forward to your arrival and many adventures await you. Our theme this year is *Exploration*. Explore the Redwood Groves and discover adventures and exciting new things to see and do as you practice the skills and values of scouting.

Upon arrival you will meet your staff guides. They will show you to your camp. We provide platform tents, sturdy cots and a full dining hall, but bring your own sleeping bag, flashlight, and personal items. Bring your uniform for camp inspections and flag ceremonies, a warm jacket for nighttime activities, some extra clothes, swim trunks, good shoes for walking, and a sense of adventure.

Start thinking now about which activity badges you'll want to work on. These are the ones we offer: Aquanaut, Artist, Citizen, Handyman, Fitness, Forester, Geologist, Naturalist, Outdoorsman, Readyman, Scientist, and Showman. Beyond the activity badges you will be able to explore and learn about the forest, shoot BB-guns and bows, swim in our pool and boat on our lake. You will also have a chance to sing and act at our campfire, play games, make friends and memories.

On the following pages you will see a complete itinerary and equipment list.

As you complete your preparations for camp, please do not hesitate to let us know how we may be of service to you. Please send your questions to the Camp Director Lafe Conner at connerlg@gmail.com or call him at 801.425.0911.

What to Bring to Camp

The following list is a suggestion of what to bring to Cutter Scout Reservation during your camp week. We have learned from experience that the following items allow for the best comfort while at camp.

PERSONAL EQUIPMENT LIST

1-backpack or duffel bag
1-sleeping bag
1-waterproof ground cloth
1-thick foam pad or self-inflating mattress
1-flashlight w/extra batteries
1-extra light bulb for flashlight
1-canteen, water bottle or camelback
1-pair of walking shoes or hiking boots
1-pair of tennis shoes or sneakers
1-complete Cub Scout uniform (for inspection)
1-extra Cub Scout uniform shirt (optional)
1-warm jacket
Sewing Kit
Personal Toiletries
Insect Repellent w/Deet
1-sweatshirt
1-hat and/or beanie cap
1-swimsuit
1-towels
1-beach towel
1-pair of shower shoes
Extra Clothing, socks, and underwear
Compass
Chap stick
Sunscreen
Camera
Pencils, paper, and/or pens
Cub Scout Handbook

OPTIONAL PERSONAL ITEMS

Warm gloves
Sunglasses
Long underwear
Valuables (at your own risk)

Phone Card (pay phone at camp)

WHAT NOT TO BRING TO CAMP

Alcohol or Drugs
Sheath Knives
Large Electronic Equipment
Tobacco Products (unless an adult leader)

Cell phone (no cell service at Cutter)

iPods, portable gaming systems, etc.
Weapons or ammunition of any kind

Mail

You may receive mail from family and friends during your time at camp. Please encourage them to mail these things well in advance of your time at camp to ensure their arrival during your scheduled week. All regular sized letters or cards can be mailed via the United States Postal Service to:

Scout Name
Pack Number
Webelos Session
C/O Cutter Scout Reservation
2500 China Grade Road
Boulder Creek, California 95006

All care packages need to be mailed to the following address via UPS or FedEx at least one week before your week at camp:

Scout Name
Pack Number
Webelos Session
Cutter Scout Reservation
250 Scout Ranch Road
Boulder Creek, California 95006

Medical Information

All participants who come to camp **must** have completed and signed the Class A & B parts of the health form (http://www.scouting.org/filestore/HealthSafety/pdf/parts_ab.pdf). The parent of all minors **must** sign this health form. All Scouts and adults will go through medical rechecks and evaluations by the camp health officer during the swim-check process. Campers who do not have this signed form will not be allowed to camp or participate in program activities.

Our Health Lodge is equipped with supplies to handle most injuries in camp. A licensed first responder, EMT, nurse, or physician will usually be on site 24-hours a day to handle such emergencies. Serious injuries, which require immediate advanced medical support, will be handled by local paramedics. For less serious injuries, which still require medical attention, pack leaders will be responsible for transporting the injured person to the nearest medical treatment facility.

Practitioners of the Christian Science faith must provide the camp with a written letter from the practitioner.

Visitor Policy

Parents are welcome to visit Cutter Scout Reservation during the Webelos session as long as they notify the pack master and camp of their intention at least one week in advance and pay the necessary fees (i.e. meals, lodging, etc). Meals for visitors cost $7.00 per person per meal—payable at the Cutter Scout Reservation program office. Visitors using the camp equipment (e.g. shotguns, rowboats, canoes, etc) during their visit must pay an additional $15.00 to the program office and must present a current, signed BSA medical form to the camp health officer. Visitors should not plan on staying overnight, unless they have prior approval from the pack master and camp director and pay $65.00 per day for food and lodging.

CAMP FACILITIES

Trading Post

The Cutter Scout Reservation trading post, ran by our friendly and courteous staff, is stocked with a wide variety of program supplies, souvenir t-shirts, sweatshirts, hats, badges, pocketknives and much more. We carry general camping supplies, personal hygiene items, and an excellent selection of snacks and beverages. We encourage each Scout to bring an adequate amount of spending money. The trading post is open every day and the average scouts will spend $25 throughout the course of their stay. Trading post hours will be posted and announced regularly at camp.

Shower and Restroom Facilities

Showers and restrooms are available for all campers at any time, but should not be used during quiet time. These facilities consist of gang showers with individual curtains for privacy.

Laundry Facilities

There are no laundry facilities available for campers at Cutter Scout Reservation. There are, however, staff laundry facilities onsite. Should a camper have an “accident” at nighttime, special arrangements may be made to ensure a safe and sanitary environment. Please contact the camp director when a nighttime accident occurs.

WEBELOS PROGRAM OPPORTUNITIES

Along with the great location and staff, Cutter offers outstanding camp programs. Cub scouts and adult leaders will experience a myriad of activities that are fun, challenging, and designed to facilitate personal growth. Activity badges can be earned during the session of camp and special programs will ensure that everyone in your pack is busy having a great time. The theme for this year's summer camp is "Time Travel." Be sure that your Scouts know which activity badges they want to earn prior to coming to camp. (See activity patch sign-up sheet list below)

1st Year Webelos

1st year Webelos will be given the opportunity to work on up to 4 activity badges as well as enjoy all of the usual fun of swimming, archery, and BB's. The activity badges are:

Aquanaut	Citizen (required)
Naturalist	Readyman (required)
Scientist	Artist
Geologist	Outdoorsman (required)
Handyman	Showman
Forester	Fitness (required)

It is highly encouraged that 1st year Webelos take these activity badges, but if they have already earned the activity badges being offered, they can sign up to do the Boy Scout Skills Round Robin Sessions.

2nd Year Webelos

2nd year Webelos have the option to choose to participate in the Boy Scout Skills Round Robin Program. There will be four 2 hour sessions offered.

1. Session 1-"Fire Starter" will cover fire starting and cooking
2. Session 2-"Medic" will cover first aid
3. Session 3-"Plainsman" will cover knots and lashings
4. Session 4-"Tracker" will cover land navigation skills

These skills will be led by Boy Scouts and Venture Scouts with Boy Scouting fun in mind for your Webelos. There will also be games and competitions to challenge and entertain them, as well as swimming and shooting.
