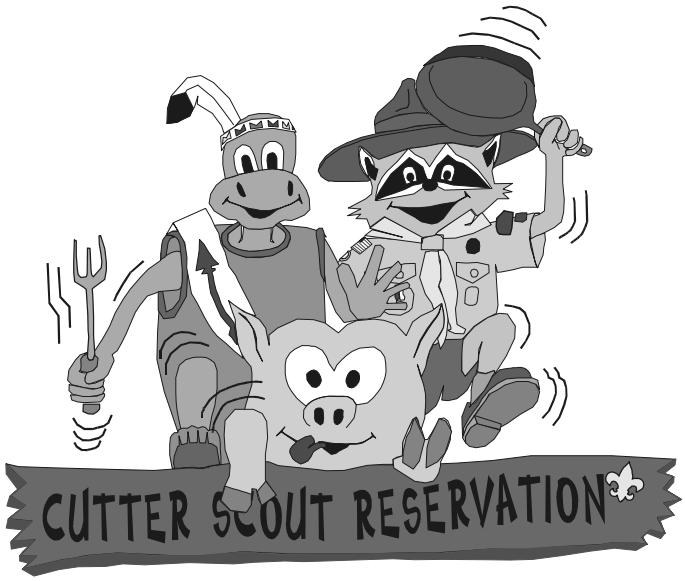
Welcome Cub-ON Participants

Thank you for signing up for the greatest Cub Scout event in the Pacific Skyline Council. If this is your first Cub-ON, please be aware that we're all volunteers here; the cook is the only one paid and we all pitch in to make this a fun event. The crafts, archery, BB guns, kitchen cleanup, cooking, medical help, lake, swimming pool and much more require your help to be successful. And, yes, even your son and daughter can pitch in to make it work.



Enclosed is a map to Cutter Scout Reservation and a "things to bring" list. ALL Scouts and siblings under the age of 21 are required to have a BSA Medical Record (parts A and B) to participate in Cub-ON activities. This form can be obtained at your local Council Service Center or online at www.scouting.org.

Yes, there are warm showers and flush toilets at the swimming pool building. There are latrines and water in the campsites.

The trading post will be open for your shopping pleasure. There will be crafts, tee shirts, candy, fishing gear and other goodies for you to purchase. For every $5.00 worth of purchased goods you will receive a ticket for the Saturday night prize drawing.

Please check in at the Harkson Lodge before proceeding to your campsite. We ask that all adults volunteer for at least one meal shift and one activity shift during the weekend.

When you go to your campsite – DO NOT DRIVE INTO THE CAMPSITE – park at the edge of the campsite and pack your gear into the campsite. Then move your vehicle to the designated parking area. This is not a place where you can have your tent next to your car.

HAVE A GREAT TIME!!

WELCOME TO THE CUB-ON!
