

How to help **YOUR DAUGHTER** join Scouting!

1. Visit [scouting.org](https://www.scouting.org)

2. Click on Cub Scouts (Grades K-5) or Scouts BSA (Grades 6-12)

3. Explore that page

4. If you'd like more info, click on Find a Pack/Troop, enter your zip code

5. Find a pack near your house that says Dens for Boys or Girls OR find a troop near your house that says Girl's Troop

6. When you find a pack that looks suitable, explore their website (if available)

7. At that point, you can click on Request More Information, fill out the short form and someone from the unit will reply.

8. If you are not contacted within a short time-frame, please contact our office at (650) 341.5633 and tell us you are interested in joining a girl's den or troop. Give your zip code and we'll connect you to the appropriate staff member.

Hopefully you have made the decision to join! The pack or troop you have been talking to will be able to help you complete the application and **Begin Your Scouting Adventure!**
